

PAVING NOTICE

YOUR STREET WILL BE CLOSED FOR MAINTENANCE ON:

September 11 – September 16, 2023 – Asphalt Removal and Subgrade Preparation

ESI will be milling the street in front of your residence and preparing the subgrade for new pavement. Please be mindful of your surroundings through the duration of construction. During removals there will be **limited access**. See map on reverse side work area and road closure location.

We will be replacing culverts (see red lines on work area map) at the North end of Juniper St, and in the middle of the project.

September 18 – September 19, 2023 – Asphalt Paving

ESI will be repaving the street in front of your residence with new asphalt, during this time there will be **NO access**.

WHAT WE WILL NEED FROM YOU

Please have all sprinklers adjacent to roadway turned off the night before work starts and until the work has concluded. Also please locate any private utilities (invisible dog fence, landscape lighting, ETC) that are within 4 feet of the edge of the road

WHERE SHOULD I PARK MY CAR?

Please have all cars parking at least 50 feet away from the work area by 7:00 AM. Any vehicles left inside a garage or on driveways will have to remain there until work is completed for the day. If a vehicle is in the work area, it may be towed to the end of the work area at vehicle owners' expense.

WHAT IF I DRIVE ON A CLOSED ROAD?

Please do not attempt to drive on a road this is coned off or appears to be closed. This may cause damage to your vehicle and the new road that may still be curing. ESI IS NOT RESPONSIBLE FOR DAMAGE THAT MAY OCCUR IN THIS MANNER.
