# Town of **BOW MAR** Colorado

5395 Lakeshore Drive • Bow Mar • Colorado 80123 • 303-794-6065

---

## **Bellevue Gate Survey**

The Town of Bow Mar has undertaken the review of a One Gate on Bellevue approach to dealing with the traffic issue. At our meeting in September, a cost proposal and legal assessment were presented.

In case you missed it, the legal presentation is available on the Town website. The legal presentation noted that the Town of Bow Mar has broad authority to install traffic calming measures, including gates/limiting access.

Please note the address line on the bottom of the page. If left blank, the survey will be void and not be included in the responses. Once the address is tracked as having responded, the address will be removed to ensure the responses provided are not kept on record with identification of the responding party.

### Important Items of Note:

1. The town is exploring gates on Bellevue ONLY for the entrance and exiting of the town.
- 2.. The gates would be RFID and all town residents will have access
3. The date would initially only be in use Monday to Friday during school/rush hours. From 6-9 am and 4-7pm each day
4. The gates on Bellevue would coincide with the sidewalks being installed on Berry
5. The town will monitor via third party the traffic flows at the other entrances to the town. The town will work to mitigate any changes brought about by the gate on Bellevue
6. There will be keypad at the gate for visitors and contractors entering the town when the gates are active
7. All Fire, Police and EMTs will be provided with the RFID chips for the gates...
8. Estimated Costs to install gates: \$325,000
9. Estimated Annual Maintenance cost: Approx \$15,000

### Survey Questions:

Question #1:

Do you support the installation of gates on Bellevue based on the information provided above?

Question #2

Do you support putting this to a town vote based on this survey?
